

22 June 1966

MEMORANDUM FOR: The Director

You will recall that you agreed to meet with the seventeen officers who will be going off to the various war colleges for the 1966-67 sessions. The meeting will take place this morning at 11:30 a. m. in your conference room.

Attached is background information pertaining to the seventeen officers and the three-day program which the Office of Training has developed to post each of the officers on recent Agency developments prior to their going to the war colleges. This is the first year that such a program has been tried. It is well worth the effort. Compartmentation in the past has always caused too many of our officers at war colleges to be incapable of describing the Agency or protecting its interest across the board in day-to-day living with other war college students.

The purpose of your remarks is to underline the importance of each of these officers being a true and full representative of the Agency and to put the Agency forward in its best light at all times.

1. This memorandum is for your information only.
2. In reference to the Director's decision to meet with the Agency representatives selected for the 1966-67 Senior Officer School programs on Wednesday, 22 June 1966, at 1130 in the Director's Conference Room, I am enclosing a copy of the three-day special program and an alphabetical roster of those going to the schools.
3. Using the suggestions of previous Agency representatives to these senior schools, this special program is designed to give those attending the course:

  - b. both the theory of, and practice in, briefing and conference techniques--for briefings, seminars, and other small-group exercises;
  - c. a discussion of military-civilian relationships from the Agency's viewpoint.
